

K-LOVE has been PHENOMENAL for our community! We love it & don't want to lose it!

The effect would be DISASTROUS to the local community if K-LOVE were to be displaced by an LPFM broadcaster providing other programming.

It is in the public interest that we have safe, positive, noncommercial, uplifting Christian broadcasting in our community.

Please don't let LPFM take over and eliminate K-LOVE in its current form!

Thank you and may God bless! Suzanne Barslund
